Applications are called from eligible Sri Lankan citizens to recruit for the Training Courses of Para Medical Service, of the Ministry of Health from 22.03.2024 to 25.04.2024. Applications should be submitted only through the official web site of the Ministry of Health (www.health.gov.lk).

1. Important:

- 1.1. Each applicant can submit only one application. If an applicant has submitted more than one application, all applications will be rejected. An applicant who has passed GCE A/L in 2018, 2019 and 2020 should submit only one application. The applicant should submit only one application based on the preferred year of examination. Applicant should not submit separate applications for the separate years. If an applicant has submitted separate applications for separate years all applications will be rejected without any notice.
- 1.2. In the past few years, considering recruitment, it was observed that many other qualified students did not get even one such opportunity due to the registration of several courses by one student under the free education privileges of the government. Apart from this, the government's money is being wasted due to this situation, and the planned goals of the relevant institutions cannot be achieved due to the lack of the expected number of trained professionals at the end of course. Therefore, necessary provisions to mitigate this situation and give every applicant at least one opportunity have been published in paragraph 6 of this gazette. Accordingly, as detailed in sub-paragraphs number 6.1 to 6.5, a person who is not eligible, should not apply for this course. However, if a person with such disqualification applies for this course and is discovered later, action will be taken against them as per sub-paragraph 7.3 of the gazette notification.
- 1.3. In past recruitments, it was observed that false information (false examination years, subjects, grades obtained etc.) was submitted in the applications. It has also been observed some applicants provide certificates with false information to the interview board. It is a serious offense. Therefore, no applicant should provide false information in the submitted e-application. If an applicant submits such false information the application will be rejected, applicants name will be submitted to Department of Criminal Investigation for necessary legal actions. Further their names will be included in the blacklisted names for recruiting to government service.
- 1.4. Each applicant should read and understand this gazette and the information provided in the e- application. If the applicant is eligible to apply, ensure the receipt obtained by paying Rs.1000/- to any Bank of Ceylon branch (as per paragraph 8.4) and the documents mentioned in 10.4, 10.5 and 10.6 sections are available with you before you apply and submit the application.
