Introduction

Sri Lanka Institute of Advanced Technological Education was established in 1995, under the Sri Lanka Institute of Advanced Technological Education Act No. 29 of 1995. The main purpose of establishing SLIATE was to reform and restructure the entire technological education system in relation to the changing needs of economic development and to meet the manpower requirements of national development strategies. The SLIATE is a statutory body operating under the purview of the Ministry of Education, Higher Education and Vocational Education and one of the leading higher educational institutions in Sri Lanka. At present it manages and supervises 19 Advanced Technological Institutes (ATI)s and offers 15 Higher National Diploma (HND) programmes for advanced level qualified students.

Policies and Principles governing admission to the SLIATE programmes

1.1 Minimum requirements for SLIATE admission

- ❖ Passing all three subjects of G.C.E. A/L in one sitting.
- ❖ General English of A/L will not be considered as one of the main three subjects of G. C.E. A/L for any of HND programmes including full-time and part-time.
- ❖ Passing English and Mathematics subjects in the G.C.E. O/L examination (No need to fulfil this requirement in one sitting).
- ❖ G.C.E. (A/L) and G.C.E. (O/L) Examinations must be the examinations administered by the Department of Examinations, Sri Lanka.
- ❖ However, there are specific entry qualifications for different HND programmes and applicants must fulfil the specific entry qualifications to apply for the specific HND programme which is published through the Gazette notice.
- ❖ Preference will be given to full-time students who are below 23 years of age.
- ❖ Applicants are encouraged to apply for the course(s) of their choices offered by the nearest Advanced Technological Institute to his/ her permanent residence. This measure is adopted to facilitate access to higher education by minimizing cost of accommodation, transportation, and living costs incurred by students and their families, thereby supporting student well-being and successful completion of the selected study programme

1.2 SLIATE Admissions Policy

A. Selection criteria for the SLIATE programmes

- ❖ If the applicants are from the same or similar G.C.E A/L stream, Z-Score is used for selection.
- ❖ If the applicants are from many different G.C.E A/L streams, a well-defined marking scheme is used for the selection process.

- ❖ As per the Governing Council approval, SLIATE will allow two of the Thalassemia patients and two of disabled students who have fulfilled the basic entry qualification to follow HND programmes (Full-time) free of charge and without considering the additional selection criteria.
